**Monthly Teleconference Minutes**  
Wednesday, November 20, 2013 1:00 pm

**Introductions** and roll call.

**Attendees:** Penny Anderson, Billie Felix, Amber Nault, Mary Mount, Dorothy Frost, Felecia Blackhoop, Deanna Dennis, Bonnie McKay – John Hein, Brett Williams, Duane Preshinger, Danielle Wood, Tom Keith,

**TOPIC of discussions:**

As there were no items of discussions presented prior to the call, I opened up the call up to general discussion.

- Area Office commented on billing the hospital and professional codes and how they are looking into it. With every 100 revenue code billed, the 987 code should also be billed provided a visit was made during the stay.
- Eye glasses - remember, the State set up revenue code 509 to bill for eye glasses. Not all service units are billing yet.
- CHIP Dental – question came up regarding the essentials for employment form – Xerox mentioned that software packages allows for paper attachments.
- A question came up about billing for DME supplies. The department and IHS are currently in contract negotiations and this will be decided by the end year (2013).
- A question came up about billing for Mental Health Service Plan (MHSP). Xerox and the provider are in discussions. Xerox will provide an update at the next call. (Requirements to bill)
- The Department and HMK are looking into a dental enrollment form submitted to the department for review. Department will give an update at the next call.
- A question came up about CHIP dentists needing to enroll as a Chip provider. Department/CHIP will give an update on this at the next call if not before.
